

ICED 2025 CALL FOR ABSTRACT

The ICED 2025 conference welcomes contributions from any theoretical perspective that addresses any aspect of the study of education of deaf and hard of hearing children, as well as from related fields more broadly concerned with, but not limited to, the following topics: Signed and spoken language acquisition, bilingualism, memory, learning, literacy, languages and cultures, relationship between research and practice, empowering deaf professionals, deaf gain, deaf culture, deaf identity, informing and caring families, school programs and school settings, mental health and quality of life, accessibility, social inclusion, cochlear implants, health, speech therapy.

Conference Languages

The official languages of the conference will be Italian Sign Language (LIS), International Sign (IS) and English.

ABSTRACT SUBMISSION

Please submit your abstract [here](#)

We plan to have: Signed/Spoken presentations (20 minutes and 10 minutes discussion) grouped in thematic sessions built up by the Scientific Committee; Symposiums proposal (90 minutes, with 4-5 presentations) proposed by Congress participants; and Poster sessions.

Written abstracts should be in English and no longer than 3.000 characters (including title, figures, examples and references). Abstracts should be anonymized (with no author names in the text).

Video abstracts, either in LIS or IS, are also allowed (maximum length 5 minutes). Abstracts should be anonymized by being signed by someone different from the author(s). To send video abstracts, please follow these instructions: build the video using your phone/pc/camera horizontally in front of the person who will sign. Upload your video abstract in your YouTube channel (private mode, visible only to those who have the link) and past the link in the submission form that should also include the title of the abstract.

Please contact the ICED 2025 organizers if you have any questions about the submissions of video abstracts.

Please upload images in 300 dpi only.

Each author can be listed in a maximum of 3 submissions, including 1 as the first or single author.

Types of submission:

- Poster
- Signed/Oral Presentation
- Symposium proposal
- Symposium participant

Note:

To propose a **Symposium**, please provide:

- The name(s) of the Proponent(s) in the field "Authors"

- Select “Symposium”
- The Topic
- The Title of the Symposium
- The Language of your presentation/s (as proponent/discussant)
- The General abstract of the symposium (either no longer than 3.000 characters or no more than 5-minutes video following the same instructions provided above for the video abstracts). Please, also add in the Abstract the authors and the titles of the 4-5 contributions you are inviting to participate in the Symposium

To participate in a **Symposium**, (Symposium Participant) please provide:

- The name(s) of the Authors
- Select “Symposium contribution”
- The Title of the contribution
- The language of the presentation
- Select the Symposium you want participate to from the “Symposia list”
- The Abstract of your contribution

The Abstracts should be either no longer than 3.000 characters or no more than 5-minutes video following the same instructions provided above for the video abstracts.
